PROJECT: Chilled Water ROW Construction IDIQ Solicitation

CIP ID: 7190.001

IFB# CLMC868

SUBJECT: Answers to Bidders Questions No 2 as of the date of this letter, per 00100-IFB Article 1.(3)(C).

The following are answers to Bidders received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda

Q-1: Are we to assume that the COA estimate for bid purposes is still 20M, even though the initial term is 12M?

A-1: Refer to Specification Section 00020 IDIQ Invitation for Bids, 3. Term of the Contract, and 4. Contract Amount, as written for terms and total contract amount. Refer to Specification Section 00300U IDIQ Unit Price Bid Form, Page 1 of 15, which states “Quantity estimates listed below for each Bid Item are based on the initial term of the contract only.”

Q-2: Section special provision 510 pipe section 510.5 payment states to include hot mix asphalt and road base for street repair but unit rate line item SP510-rock-8-A states to exclude the street repair of trench zone typical for all sizes please clarify.

A-2: Refer to Specification Section 00300U IDIQ Unit Price Bid Form, bid item 340S-B.

Q-3: Can you provide a reference in the specifications to scope of work relating to the items to be included in bore pit line items SP501S-rock-pit ABC. There is no mention of pipe, conduits or flushing withing the bore pit area.

A-3: Refer to Specification Section SP 501S Special Provision Jacking Or Boring Pipe. Piping within the pit is treated as buried pipe and is not included in the pit pricing.

Q-4: Just wanted to see if you'd be able to give me a rough estimate of where this project will be located so I can account for distance on trucking, fuel, and aggregates. I didn't see any plans, just a spec book and didn't see where this would be. Can you help me out?

A-4: Refer to Specification Section 00020 IDIQ Invitation for Bids, 1. Overview and Project Information.
